View from the West Berlin side of graffiti art on the wall in Blockade - For other uses, see Blockade disambiguation. Where a painting of the coast, or even of driftwood might not seem extraordinary when framed and hung on the wall, the displaying of actual driftwood on the wall as 3-D art is rather unexpected...and therefore exciting.

### **Bitter (25 Tales of Love Book 1)**

The greatest threat to the preservation of genetic diversity of wild animals comes from the destruction and degradation of their habitats. Continued destruction of tropical rain forests, the most species-rich land environment on Earth, may result in mass extinctions that would permanently impoverish the planet see Part 3 of this book: Diversity at Risk: Tropical Forests.
