analysis resonates with Reiko Ohnuma's study of gifts of the
body in Indian Buddhist literature, which supports Mrozik's
view that it is wrong to assume that the prominence of ascetic
discourse means that South Asian Buddhists ascribe little
value to bodies; on the contrary, ascetic discourse serves to
produce "virtuous bodied beings" who are valued for their
moral and physical qualities p. She focused her studies in
Christian Origins and the New Testatment and completed the
degree in After an initial faculty position in western New
York, she joined the Theology Department at Creighton
University in Co-written with Francis J.
