In January I was sentenced to death, along with countless others, by the Reich war tribunal. Who is your target market. This includes notably: business and management communications especially involving strategic decision-making ; quick report-writing and conveying updates and status; emergency response and reactions reporting up and informing down the management structure ; presentations and speeches and talks; writing of press releases, PR materials, and also advertising and consumer or 'general-public audience' communications in which the actual inclusion of the term BLUF is generally not

appropriate - here BLUF serves more of a structural reminder to the writer. With a vision into her future, Edith used her inheritance to study mathematics and astronomy at Vassar College, where she graduated in After graduation, Clarke taught mathematics and physics at a private school in San Francisco and also at Marshall College.
